d. Stated that we were receiving requests from Congress for name-checks of people employed at the various embassies here in Washington. The Director stated that (1) if these people were U.S. citizens the request should be referred to the FBI together with any information we might have; (2) if they were foreign nationals we would make available what information we might have. *ADD/so informed. 3-3-52*

e. Mentioned that he had received a report from [redacted] concerning [redacted] in whom the Director had indicated an interest. The DCI said he did not immediately recall the name and, after some discussion, it was noted that this individual had been recommended by General Donovan as a possible candidate for employment. [redacted] is presently employed by State [redacted] and has indicated that he would like to come with us. Mr. Dulles undertook to follow through on this.

Mr. Hedden:

allegations proved true, he would prefer charges. [ ] raised the question of efficiency reports on officers assigned to CIA being rendered by civilians. The DCI stated that this procedure was unfair to the officers concerned and directed that Colonel White work out some plan whereby efficiency reports would, in fact, be made by senior Service officers and, if necessary, he (the Director) would sign a forwarding endorsement. *Col. White is taking action on this. 2/25/52.*
